TORRES ÓPTIMA

THREE TOWERS
ONE CORPORATE SYSTEM.

Distinct buildings, one shared corporate environment
designed to support different ways of working.

NOT EVERY COMPANY **WORKS THE SAME WAY.**

For more than 30 years, Torres Óptima has been part of the evolution of the Paseo de las Palmas corporate corridor, becoming a reference point for organizations seeking long-term stability, functionality and vision.

Today, that legacy continues to evolve, responding to organizations with increasingly diverse profiles and goals.

A DISTINCT RESPONSE FOR EVERY ORGANIZATION.

Each building reflects a different approach to corporate space, while maintaining the same standard of quality, location and experience.

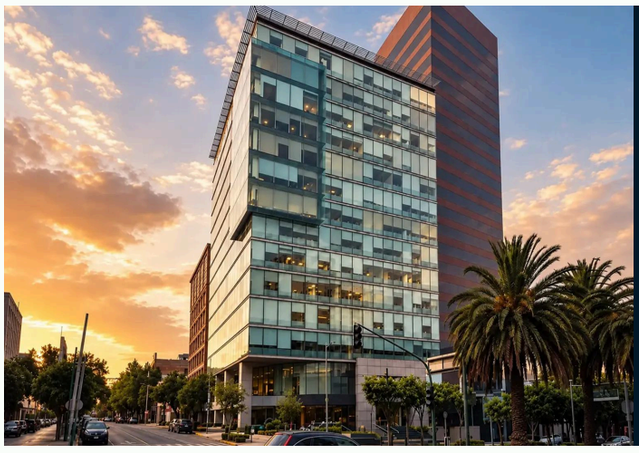

TORRE ÓPTIMA 1

For organizations that value stability, long-term presence and an established corporate image.

TORRE ÓPTIMA 2

Functional, flexible spaces for companies that prioritize continuity and performance.

TORRE ÓPTIMA 3

Contemporary architecture and spacious offices for organizations seeking a current image without compromising formality.

AN **ESTABLISHED LANDMARK** ON PASEO DE LAS PALMAS.

Torres Óptima has been part of the corporate development of Paseo de las Palmas, shaping an environment where infrastructure, management and long-term vision sustain the experience of those who work here.

+30 YEARS

Supporting an established corporate environment.

+45,000 M²

Dedicated to corporate spaces, services and operations.

WHERE LEADING ORGANIZATIONS **CONNECT.**

Its surroundings bring together connectivity, services and urban infrastructure to support the daily activities of organizations, employees and visitors.

STRATEGIC CONNECTIVITY

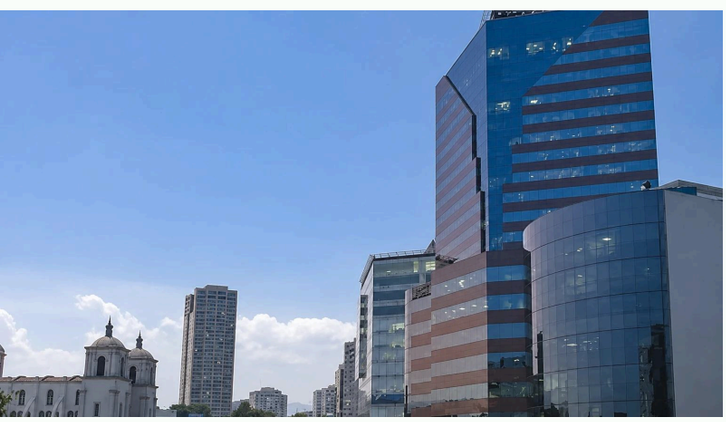

Immediate access to the city's main corporate corridors.

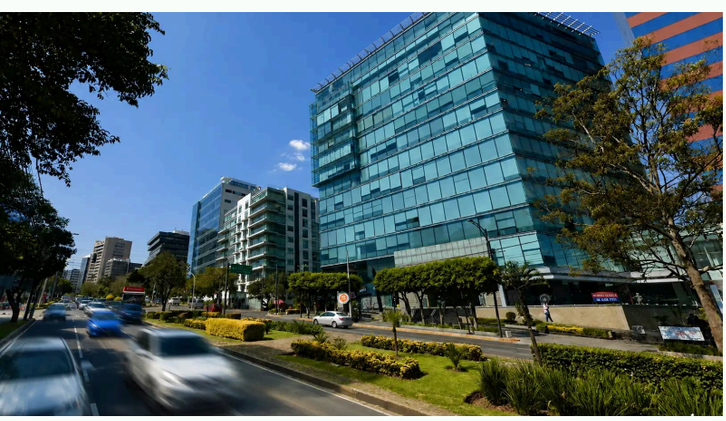

EFFICIENT MOBILITY

Transportation options and key routes that make everyday commutes easier.

AN ENVIRONMENT THAT ADDS VALUE

Services, retail and spaces that enrich the everyday experience without leaving the corridor.

CONNECTED TO THE **CITY'S KEY DESTINATIONS.**

Corporate corridors, commercial areas and essential services that are part of the city's everyday rhythm.

WHEN **SPACE ADAPTS,** EVERYTHING WORKS BETTER.

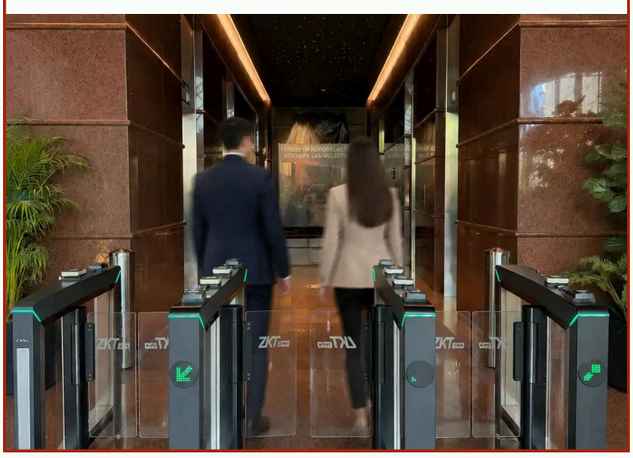

From full corporate floor plates to more flexible configurations, each building offers spaces designed to support different structures, teams and stages of growth without compromising functionality.

EVERYTHING IS DESIGNED TO **WORK TOGETHER.**

Infrastructure, technology and specialized systems work together to support the day-to-day functioning of the complex.

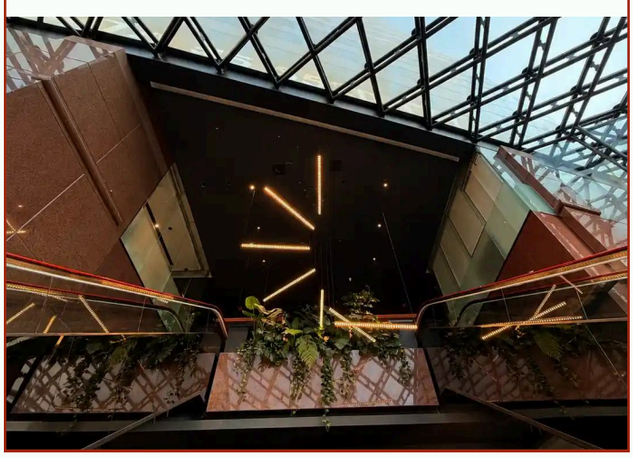

SMART AUTOMATION

Intelligent monitoring that supports the daily functioning of the complex.

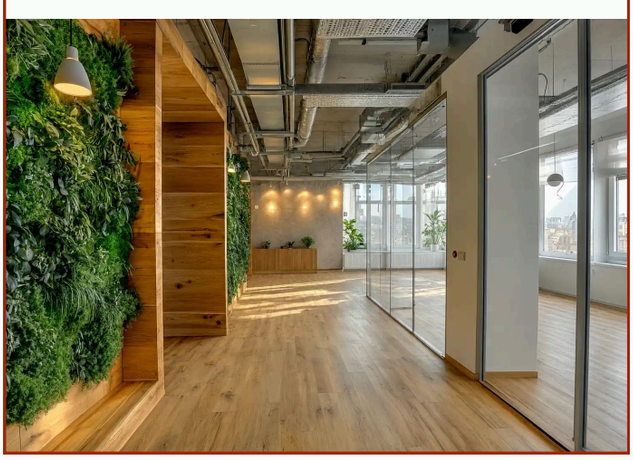

ENERGY BACKUP

Infrastructure designed to maintain continuity across different scenarios.

TECHNOLOGY-READY SPACES

Spaces prepared to meet the evolving technology needs of today's organizations.

INTEGRATED SECURITY

Integrated systems that strengthen the reliability and performance of the complex.

OFFICES, RETAIL AND SERVICES **IN ONE SHARED ENVIRONMENT.**

EVERYTHING YOU NEED,
WITHOUT LEAVING THE COMPLEX.

An integrated range of services supports the everyday needs of employees and visitors, making the workday easier, more comfortable and more efficient.

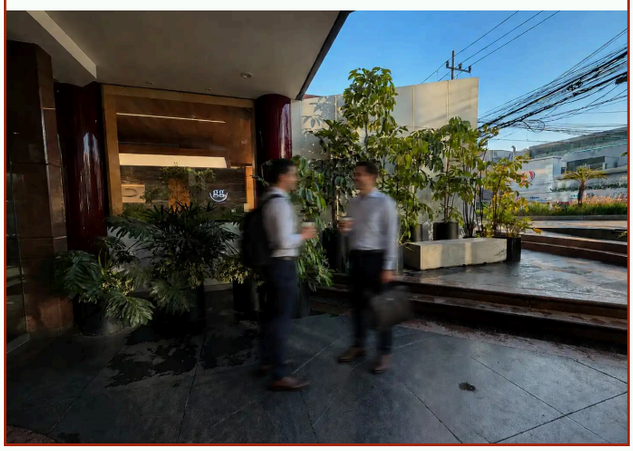

FINANCIAL SERVICES

Solutions for everyday transactions without additional travel.

RETAIL

Services that complement the daily routine of those who work and visit the complex.

DINING

Options for meetings, working meals and moments to unwind.

WELL-BEING

Spaces that support balance and enhance the everyday experience.

THE BACKING BEHIND **THE HIGHEST STANDARDS.**

International certifications recognize the complex's commitment to responsible management, people's well-being and the continuous improvement of its spaces.

LEED GOLD®

TORRE ÓPTIMA 1

Recognizes sustainability and efficiency strategies integrated into the building.

LEED PLATINUM®

TORRE ÓPTIMA 2 • TORRE ÓPTIMA 3
